Dear Ekorians,

Let me on behalf of myself and the National Executive Committee of Eko Boys High School Old Boys Association (EKOBA) welcome you all to the 2nd and last Annual General Meeting of our Exco.

I thank Almighty God for the gift of life and His grace. It is noteworthy to inform stakeholders at this AGM, that EKOBA under my stewardship has spent over N150 million to support our Alma Mata and offered well acknowledged assistance to the Lagos State Government on infrastructural matters in the school. We shall continue to partner with the state government to ensure, as well as maintain high standards of education in Lagos and in Eko Boys High School in particular.

It is my honour to acknowledge and appreciate the concrete support of many individual Ekorians and Service Clubs worldwide extended to our Exco in the past two years, which ensured the following achievements:

- Construction and commissioning of Rev. Benjamin Euba School Hall facilitated by EKOBANA
- Conversion of the old dormitory building to 4 two-bedroom flats facilitated by BODAS 70.
- Remodeled and commissioned Lawrence (Labinjo) entrance gate
- 3 classroom blocks constructed by Federal Ministry of Works and facilitated by E78 service club.
- Carried out a detailed perimeter and topographical survey of the school premises and developed a master plan for the school. These were done by Ekorians Alabi Subair and Arc. Kolawole Erinle free of charge.

- Donated 500 school ties and 50 blazers to the students.
- Payment of salaries for 4 stop gap teachers in essential subjects.
- Provision of financial support/sponsor for the school inter house sports that has not occurred in the school for over 10 years
- The state government recognized the efforts of the old boys in the school which led to the award of recognition by Ministry of Education to EKOBA for its positive contributions towards the infrastructural development of EBHS, as well as the ongoing construction of 14 classroom two-story building by Lagos State Government.

KAYODE OLAWUNMI ELLIOT

National President

As we approach the end of our tenure, please permit me the license to admonish us all to ensure that we never allow the "embers" of the fire of EBHS that gave us the requisite foundation for whatever we are today to die but that we do all that we can to ensure that it is fanned by the grace of God to that "undying flame" that the Founders saw that day in January 13 1913. Ekorians must rise to the task of re-building our School.

Thank you and God bless you all.

EKOBA National donates EBHS branded Ties to students

The EKOBA National led by Ekorian Kayode Elliot has donated hundreds of quality ties to students of Eko Boys' High school.

The high quality ties which were shipped from overseas was a result of the collective contributions of generous Ekorians. The tie project was inspired during the 109th founder's day in 2022, when Ekorians frowned at the quality of ties worn by the students, Ekorian Funso Owoyemi, E72, instantly pledged to the production of quality ties. EKOBA VP II, Ekorian Engr. Ganiyu Tito Nurudeen launched the tie project and crowdsourced Ekorians for the funds, which led to the initial production of 500 ties.

The ties were presented to the senior school principal, Mr Lasisi, by EKOBA VP I, Ekorian Engr. Babatunde Adesola. EKOBA National President, Ekorian Kayode Elliot while speaking expresses the intention of EKOBA to make the ties donation a continuous exercise, urging all Ekorians to key into the various EKOBA projects aimed at revamping the general well being of the school.

It takes a village to raise a child and it has taken an Ekorian village to raise the former Dining Hall from dilapidated ruins to an impeccable Euba Hall for the benefit of EBHS, students, and alumni.

On behalf of EKOBANA, and other stakeholders, a heartfelt thank you to all Ekorians and non-Ekorians that made Euba Hall a success. As with any structure, maintenance is the key to its longevity.

Therefore, EKOBANA has committed to pay the monthly salary of a cleaning crew to clean and upkeep the EUBA Hall on a permanent basis.
